

You have encountered a kindness egg. Your mission, if you choose to accept it, is to complete the random act of kindness on the other side of this piece of paper, then re-hide this egg for someone else to find. This was started to help raise other's spirits during the 3rd lockdown, as everyone needs little kindness at the moment!

Also feel free to share a photo on Facebook, or Instagram with the #kindnessegg, and follow @kindness_eggs on instagram.
